BACKGROUND

An equity based investment strategy that provided exposure to the performance of 50 large companies in Europe, Nordics, US/Canada. These companies were most committed to Water conservation and Ocean preservation, in addition to their strong overall ESG characteristics. The Bond was designed to provide a return linked to the performance of these companies with conditional capital protection features.

Counterparty/Guarantor : 'A' Natixis.

THEMATIC STRATEGY

The iEdge ESG Transatlantic Water EW 50 Decrement 50 points index was launched on February 11, 2022 in collaboration with SGX® and the ISS-ESG® agency, a leader in ESG research and extra-financial rating. The index was composed of 50 European and North American companies selected for their ESG performance. The Index selected 40 European companies and 10 North American companies with the highest ESG scores and the best Water and Ocean scores.
